IMPORTANT NOTICE – PLEASE READ

In an effort to reduce postage costs to the State and to the Vendor and to streamline the process, the Miscellaneous Groceries Contract solicitation format has changed. The items for which the State is soliciting bids are listed on the following Excel pages 12 through 23.

Items are listed once and the columns to the right of each listed item are titled with the information to be provided. For example, Line 1 the item is Cream Soup Base; the next column titled “Specify Brand(s)” is the column to state the brand of Cream Soup Base you are bidding. The second column to the right of the item titled “Specify Case Pack” is the column to state the case pack you are bidding. The third column to the right of the item is the “Unit of Measure” of the item.

How to complete your bid pricing:

After the column titled “Unit of Measure”, the quantities are stated for a particular delivery area. There are 2 columns under the “Bid Price Delivery area ...” column; one column for you to write in your unit price and one column for you to write in your extended price. This series of columns is repeated for each delivery area.
